## Homestay

Staying in a Homestay is ideal for the English language student, providing the opportunity to speak English outside the classroom and the experience of being part of a British home.

### What to Expect

The Host will provide accommodation and meals as booked. Rooms will be cleaned and bed linen and towels changed at least once a week. The student will be provided with his/her own house key and the Host is there to offer help and advice as well as to take an interest in the student's well-being. We aim to match a student's requirements as closely as possible with a suitable host.

Students will not be placed in the same homestay as others of the same mother-tongue, except by special request. English is always the main language spoken in the home.

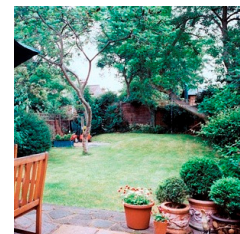

### Accommodation Zones

Homestays are located in London mainly in zones 2, 3, 4 and 5 of the London transport system. Hosts do not usually live in the town centre as much of central London is commercial and not residential. Zones 3, 4 and 5 often offer more spacious accommodation in a less crowded area. The London transport system is very convenient and if you use the Underground, travel from zones 3 and 4 may only take a few minutes longer.

### We offer four Homestay Categories to suit all budgets:

- Budget
- Standard
- Superior
- Executive

### Meal Plans Available:

- Bed and Continental Breakfast (B&B basis)
- Breakfast & Dinner (Half Board basis)
- Breakfast, packed lunch and dinner (Full Board basis) for groups only

## Self-Catering Accommodation in Private Homes

Accommodation on a room only basis includes shared kitchen and bathroom facilities and often a main living room. This accommodation offers an independent lifestyle and is more suitable for the long stay student. Self-catering accommodation does not provide the same family atmosphere as a homestay and may not benefit language students who need to practise their English at home quite as much.
